NEITHER ceiling nor side wall fixtures are necessary. This beautiful portable table or floor lamp is acknowledged to be the most wonderful lighting fixture ever made.

¶ Of perfect beauty, it also must make a strong appeal to you from the standpoint of perfect service.

¶ It produces most wonderful lighting results. It is your Art Lamp, vastly improved.

¶ It is an exclusive production. It combines beauty and utility. It does away with ceiling and wall fixtures. It has no glare. It is truly difficult for the person unacquainted with it to locate the source of the flood of superb light which illuminates the entire room in which it is placed.

¶ The "Adapter" (that part furnishing the indirect lighting) is sold separately if desired, to those who wish to convert their art lamps to this new and fashionable way of room lighting.

¶ It is the ideal gift, the gift which you will be sure is not duplicated—and even if it should be duplicated you will know its recipients will be sure to keep it and be proud of it, for no house can have too many such artistic lamps as this.

¶ It is unequalled as a wedding, holiday, birthday or anniversary present. Its artistic appearance and rich, refined beauty, together with its eminently practical utility, make it not only acceptable but of permanent value.

AN ART LAMP THAT LIGHTS THE ENTIRE ROOM

¶ Such prominent members of society as Mrs. Wm. K. Vanderbilt, Jr., Mrs. Herbert L. Satterlee, Mrs. Paulding Fosdick, and Miss Maud Adams, of New York; Hon. Elbridge Haney, Hon. Edwin W. Sims, The Very Rev. Walter Taylor Sumner, of Chicago, are veritable Curtis Portable enthusiasts since purchasing these lamps for their homes.

¶ A new book on this method of lighting from concealed sources is now in preparation. Let us know if you wish a complimentary copy of the "Book of the Curtis Adapter."

¶ **SPECIAL Introductory OFFER**—During the month of June we will sell not more than one lamp to one person at an astonishingly low price.

¶ These lamps are on exhibition at New York and Chicago. **Be sure to call and see these lamps demonstrated.**
